

Competition Candy Grams

During this season the Boosters will give parents, family and friends the opportunity to order Candy Grams for the members of the Marching Band at the cost of \$1.00 each. At each competition, the host school will sell candy grams, but it is difficult for chaperones to place orders and there are often long lines.

Attached you will find order forms that will need to be complete and turned in no later than Wednesday, August 14, with a check payable to the Mars Area Band Boosters. If you do not get your order in by that date, candy grams would need to be purchased at the host school. Please support the Mars Area Band Boosters and send messages to the students for their hard work and dedication.

Questions can be emailed to president@marsband.com
