

2023 Mars High School Marching Band

Perseverance•Teamwork•Unity

Dear Students and Parents,

I would first and foremost like to welcome you all to the 2023 Mars High School Marching Band. Throughout this 2023 season, members of this ensemble will have the opportunity to continue the historic success of the marching program at Mars High School. We are so glad to have you on board for this journey!

As a school program, the marching band prides itself on developing a positive educational environment for all of its performers. Instructed by some of the most talented and experienced staff and instructors in the area, members will receive positively life changing experiences, not only as performers, but as young adults.

Throughout the season, students will participate in a variety of performances such as football games, competitions, parades, as well as other community events. Participating in these events help to not only promote camaraderie amongst themselves, but to be active in the community as well. Being in this program also helps to build friendships that can last a lifetime.

Within this handbook, you will find information regarding the various aspects of the Mars High School Marching Band. The handbook will be broken down into sections, with each section serving its own purpose. If you have any questions, please do not hesitate to reach out.

I am looking forward to another fantastic marching season!

Philosophy

The Mars High School Marching Band is an organization that is dedicated to providing students with not only skills in the performing arts, but life skills as well. All interactions are geared towards excellence socially and artistically. As an ensemble, our goal is to understand that we are all a part of something greater than ourselves, and that excellence isn't possible without complete commitment of everyone involved.

Becoming A Member

Any student with a positive attitude and a willingness to learn has a spot within the Mars High School Marching Band. Positive outlooks towards rehearsals and performances as well as an eagerness to do what is required to be successful are all characteristics needed to be part of the marching program. Overall, the ideal band member is someone who is willing to give their best for the good of the organization.

Leadership

Leadership for the 2023 marching band season will be selected by the director and staff of the marching band prior to the end of the 2022-2023 school year. In order to be considered for one of the leadership positions, students will be evaluated on the basis of musical/marching ability, cooperation, interpersonal skills, and overall leadership qualities. Members must be in good standing (no outstanding financial matters – student accounts up to date) and have no outstanding performance or behavioral issues. Any leadership member who fails to uphold their responsibilities will be removed from their position at the discretion of the director.

Season Schedule

The yearly schedule is handed out to the students prior to the beginning of the season. Listed on the schedule are all regular rehearsal dates, times, band camp dates, and performance dates (both football games and competitions). Please refer to this schedule when scheduling appointments to avoid any conflicts. Attendance expectations will be discussed in a later section. The schedule will also be posted on the band's web site at www.marsband.org and on the Charms calendar.

Band Camp:

Band Camp is a mandatory requirement for all students wishing to participate in the marching band. Full attendance is required for all 10 days. Students are expected to make every effort to keep their schedule clear for those two weeks. Much of what the students will do throughout the rest of the season will be dictated by those two weeks. If the student is not able to fully attend band camp, they will kindly be asked not to participate.

Students are expected to dress within the school dress code Athletic apparel should be worn at every rehearsal. Athletic shoes/sneakers are a must for all students in rehearsal.

Rehearsal Expectations

At rehearsals, students are expected to give their maximum effort at all times. In order to begin rehearsals on time, students are expected to arrive at least 15 minutes before the start of rehearsal. Students will then have about 15 minutes of pack-up time at the conclusion of rehearsal.

Students are expected to dress within the school dress code Athletic apparel should be worn at every rehearsal. Athletic shoes/sneakers are a must for all students in rehearsal.

Attendance

Each member is expected to attend all rehearsals and performances. Maximum attendance is absolutely essential to the success of the marching band. Our pursuit of excellence in performance can only be realized given maximum attendance that permits effective use of rehearsal time. We schedule the minimum number of practices needed to sustain the quality and educational validity of our style and scope of band program. No practice is *extra* or *unneeded*.

An unexcused absence for a rehearsal or performance cannot be tolerated and consequences for missing will be determined by the Director.

Excused absences: Bed-ridden illness, Death in the Family, Wedding.

Unexcused absences: Work, Spectator at music concerts or sporting events, Routine medical or dental appointments, Non-emergency medical specialist appointments, Homework/studying, Senior or other picture appointments, Routine club/group activity meeting or events, Events such as family outings, birthday celebrations (student or family) or college fairs.

***** Unexcused absences (please see the definition) will result in consequences. The directors will expect a time of service to the band program in the amount of unexcused time missed. Students will be expected to practice at rehearsals but will not perform until this time is made up. Performance opportunities may also be withheld.**

Summer Vacation

All marching band members are asked to submit an ***Absence Form*** at least two weeks in advance for a vacation during the summer as a courtesy to help our record keeping and rehearsal planning. You can also submit absence forms ONLINE on our website if you would like. . Summer vacations should not be scheduled during band camp dates. Students missing any significant time of band camp will not be permitted to be a member of the marching band.

Travel

All school district and marching band rules are in effect for the duration of a trip. The Directors reserve the right to dismiss or send home any student who disobeys such policies. We are representing the Mars Area Music Department and Mars Area School District whenever and wherever we perform; we will all do our best to maintain these standards to the highest degree.

If needed, students may ride home with their parent/s, a letter must be written, signed and dated by the parent, and must be presented to a designated chaperone on their particular bus. After the event a parent/guardian must pick up the student at the bus after checking in with one of the bus chaperones for that particular bus. Parents must be prompt if they are picking a student up after an event to allow the majority of students to arrive back at the school as soon as possible. Students are not permitted to be picked up by significant others or friends.

Financial Obligations

The Mars Area School District provides basic support for the Marching Band program. The majority of the responsibility for meeting the financial needs of our program rests on the shoulders of the band members, parents, and boosters. Fundraising events are scheduled throughout the year to help each student offset these costs. No one will be denied participation because of financial hardship. However, everyone must do their part to help reach the financial goals each year.

Individual accounts will be established for each student. There are more than adequate fundraising activities to allow each family the opportunity to raise necessary funds. Money raised through fundraising efforts may be used to pay for the student's marching band fees, trips, and any other items required for participation in an instrumental group. All remaining money left in each student's account at the end of the school year will automatically roll over into the next school year. If a student graduates or quits the program, all account funds can be transferred to a returning member of the Marching Band or will become part of the marching band's General Fund. It should be noted, any student wanting to audition for Winterguard or Percussion Group (the competitive winter ensembles) after the completion of the marching band season, must have their marching band dues fully paid. If any amount is still owed, permission to participate in the winter activity will be at the discretion of the Director(s).

2023 Fees

Total fees for the 2023 Marching Band season will be determined based on the number of participants within the ensemble. Once numbers are set, the cost of the season will be split evenly amongst the number of students.

****Band Booster fees help provide the necessary tools needed to run a successful program. Areas like staff, music/drill, equipment, props, as well as other items are financially dependent on these fees.****

Students will also have a separate trip fee for the Band's of America Regional. This price will also be determined by the number of students in the program.

Students will be required to pay a \$100 activity fee through the district. This is a separate fee that is not associated with the band boosters.

As per Mars Area School District policy, a **\$100 activity fee** will be charged to participate in the marching band. The activity fee must be paid by the first day of band camp, **July 31st, 2023**. Students cannot participate in their activity until this fee is paid. Checks are payable to **"Mars Area School District"**. Checks must be turned into the main office at the high school. If paying by check, please request a receipt for your records.
