

# STUDENT PICKUP FORM

Mars High School Marching Band 2023

Student Name: \_\_\_\_\_

Event/Date of Pickup: \_\_\_\_\_

Parent picking up student: \_\_\_\_\_

This form is intended as a means of communication for parents to inform staff and/or chaperones if they are picking up their child from an event outside of the district(i.e. away football game or competition). If this form is not filled out prior to the event, the student will be expected to ride the bus.

It is the responsibility of the parent to pick up their child up either in the stands at the conclusion of the event or at the child's bus. They must either see a chaperone or staff member before their student may be released from the group. If there are any questions, please contact Dave Soose at [marchingdirector@marsband.com](mailto:marchingdirector@marsband.com).
