

TRWEA Championship Apparel, Program Ads, and Wish Line Order Information

Championship apparel / Sponsorship / Program Ads / Wish Line:

All apparel sales will be pre-order only by using the attached link or QR code. Apparel purchases will be boxed by unit and picked up at check-in by the unit director or lead booster. The link and QR code can be used by non-affiliated individuals, not associated with any unit, to make a purchase as well. These sales will be held at the TRWEA apparel booth waiting for pick up by those individuals. There will be limited apparel on-site. This limited product will be apparel we need to purchase as a circuit to meet requirements set by the vendor after all pre-orders have been submitted. In the past, this product was limited in quantity and variety. We suggest spectators, families, and performers submit a pre-order to ensure they get their commemorative apparel.

The Championship show sponsorship order form is on the same link for apparel. Once on the pre-order site, scroll to the bottom for sponsorship information and follow the instructions after your purchase. Please help us find sponsors to support this event!

Families and units can **purchase ad space or wish lines** for their performers! The order form is on the same link for apparel. Once on the pre-order site, scroll to the bottom for ad space and wish line information and follow the instructions after your purchase.
