\$100 is due by each student on the first day of band camp. Students will be given 10 tickets to sell. They can either sell the tickets or keep them for themselves. The winning tickets will all be drawn at one time, but only one will be announced on each competition day. The first four winners will receive \$500 and the last winner will receive \$1,000.

Money will go into general fund.

Jason's Deli

Ruth is looking into a possible donation for one of the competition meals.

In addition, they have a Night to Eat with proceeds as fundraiser. A paper would need to be provided as proof. We would not receive a percentage for all of the customers.
