Call to Order

Approval of Minutes

Minutes from November were approved.

Treasurer Report

Balance on 11/30/18 is \$16,889.28. Report was approved.

Old Business

- Craft Show – extremely successful. Thank you to volunteers and those that made donations.
- Cookies – once again we will provide cookies for after the High School Winter Concert. Drop off of 2 dozen of cookies will be Monday, December 17 during practice. Please ensure they are peanut/nut free.
- Uniform Return – Monday, December 10 from 4-6 pm

New Business

- Next Fundraiser for the month of January will be Pepperoni Rolls
- Looking back into Armark at PNC Park. We previously looked into this and were given the information that we had to commit to 8 games and would earn \$85 per person per game. A percentage of the money would go into the general fund and then the remainder into individual fund. Training sessions must be attended prior to being able to work. We will inquire to see what has changed since the last time.
- Back Room Construction – looking into possible solutions to store new uniforms in storage area

Mr. Rodgers

- Disney 2019 Music Department Trip proposal has been submitted to school board for approval. Approximate cost is being estimated at \$1,200. March 1 will be a deposit of \$200. Trip will be from December 15-20, 2019.
